AD-HOC LIAISON COMMITTEE MEETING, JUNE 8

REF: STATE 55527

Poloff delivered reftel demarche to Deputy Americas Director Samer Naber at the Ministry of Foreign Affairs on June 3. Naber indicated Jordan's interest in attending the Oslo meeting. Naber said that Jordan would be "very supportive" of efforts to solicit further aid for the PA and encourage donors to honor their pledges. He noted that the King encountered "negativity" on this topic during recent visits to Arab states. The leaders of several Gulf states reportedly told the King they had no plans to contribute more than the quota amounts agreed to in the Arab League.
